VASE / BOX

At the meeting point between rough and refined, the maket collection of ceramic objects step into your tablespace universe. German design studio RSW has experimented with a distinction between colour and texture to create a set of functional items with strong contemporary lines, and a playfulness in their realisation.

CARE INSTRUCTIONS

Regular cleaning and maintenance is important in order to keep your pulpo product looking its best and to prolong its life. Always remove any kind of dirt as soon as possible. We recommend that you first test a small, invisible area to ensure that no colour change or damage arises to the product. Do not use materials for maintenance that contain abrasive agents or are basic, acid or organic.

CERAMIC CLEANING

For dusting and light cleaning of ceramic use a soft, dry cloth. For further cleaning gently wipe the surface with a soft cloth wrung in clean warm water. Dry immediately afterwards with a soft, dry and clean cloth.
