

fg

by Visser & Meijwaard
VASE / BOX

Appearing as both futuristic and an ancient relic, the fg series of ceramic objects seem to defy definition. Dutch designers Visser & Meijwaard have used their own heritage as a functional starting point for the collection – the traditional 18th century cabinet set. Combined with industrially produced contemporary forms, the results are striking and bold. The fg series is made up of an open vase and a container with lid; all produced in ceramic.

CARE INSTRUCTIONS

Regular cleaning and maintenance is important in order to keep your pulpo product looking its best and to prolong its life. Always remove any kind of dirt as soon as possible. We recommend that you first test a small, invisible area to ensure that no colour change or damage arises to the product. Do not use materials for maintenance that contain abrasive agents or are basic, acid or organic.

CERAMIC CLEANING

For dusting and light cleaning of ceramic use a soft, dry cloth. For further cleaning gently wipe the surface with a soft cloth wrung in clean warm water. Dry immediately afterwards with a soft, dry and clean cloth.

YEAR OF DESIGN

2017

MATERIAL

ceramic

DIMENSIONS (mm)

fg 1 (with cover) Ø 195 x 500 H

fg 2 Ø 140 x 400 H

PROCESS

Each piece is created from matt glazed ceramic. Streaks and other variations in size and colour are part of the production process, and not defects of the design or production.
