by Lorenzo Zanovello

TABLE

## GLAZED. FLUTED. PLAYFUL.

chouchou bears the contours of an antique column – which, knowing designer Lorenzo Zanovello's, is most likely a reference to his Italian origins. Thinking like a sculptor, he takes raw material as a starting point for his ideas. chouchou's generous and always unique colour glaze is – similar to the unpolished surface structure – a testimony to pure craft beyond any serial uniformity. Available as a high side table or coffee table (from ceramics, round or oval).
