by Ferréol Babin

TRAY

These charming additions allow you to create a true tablescape environment; from the tones and textures of the urban landscape, to a more rural setting or a dramatic mountaintop. Inspired by his own natural and artificial surroundings, French design Ferréol Babin has delightfully crafted this set of three ceramic structures. An almost whimsical set of buildings, mountains and lakes that bring a sense poetry to functional table objects.

## PROCESS

Each piece is handmade from ceramic, and applied with a glossy glaze. Streaks and other variations in size and colour are part of production processes, and not defects in the design or production.

## CARE INSTRUCTIONS

Regular cleaning and maintenance is important in order to keep your pulpo product looking its best and to prolong its life. Always remove any kind of dirt as soon as possible. We recommend that you first test a small, invisible area to ensure that no colour change or damage arises to the product. Do not use materials for maintenance that contain abrasive agents or are basic, acid or organic.

## CERAMIC CLEANING

For dusting and light cleaning of ceramic use a soft, dry cloth. For further cleaning gently wipe the surface with a soft cloth wrung in clean warm water. Dry immediately afterwards with a soft, dry and clean cloth.
