VASE

Making a dramatic entrance overtop your tablescape below comes the mountain vase. Its solid ceramic form presents the quintessential mountainside aesthetic. An aesthetic accentuated by the rocky, textured ceramic exterior available in terracotta or deep umbra, bubblegum or white; rising up to provide your bouquet the perfect lofted position.

CARE INSTRUCTIONS

Regular cleaning and maintenance is important in order to keep your pulpo product looking its best and to prolong its life. Always remove any kind of dirt as soon as possible. We recommend that you first test a small, invisible area to ensure that no colour change or damage arises to the product. Do not use materials for maintenance that contain abrasive agents or are basic, acid or organic.

CERAMIC CLEANING

For dusting and light cleaning of ceramic use a soft, dry cloth. For further cleaning gently wipe the surface with a soft cloth wrung in clean warm water. Dry immediately afterwards with a soft, dry and clean cloth.
