

# madison

by Michael Schmidt  
BAR TROLLEY

Mixing materials, forms and references, the madison bar wagon is made up just like any good cocktail. Perfectly composed by Michael Schmidt, madison blends references such as 1920's high culture and modernist architectural lines, to create a bar ready to roll into any contemporary gathering.

### CARE INSTRUCTIONS

Regular cleaning and maintenance is important in order to keep your pulpo product looking its best and to prolong its life. Always remove any kind of dirt as soon as possible. We recommend that you first test a small, invisible area to ensure that no colour change or damage arises to the product. Do not use materials for maintenance that contain abrasive agents or are basic, acid or organic.

#### METAL CLEANING

##### STAINLESS POLISHED STEEL

For dusting and light cleaning of the base, use a soft and dry cloth. For further cleaning, gently wipe the surface with a soft cloth wrung in clean water and a neutral detergent or soap flakes of good quality. Dry immediately afterwards with a soft, dry and clean cloth. For the best maintenance of the product, care for it regularly, protect it against direct sunlight and heat, and try to keep it away from moisture, grease, and other dirt. Furthermore, protect the surfaces against sharp objects and other that might scratch.

#### OAK

For dusting and light cleaning of oak use a soft, dry cloth. For further cleaning gently wipe the surface with a soft cloth wrung in clean water and a neutral detergent or soap. Dry immediately afterwards with a soft, dry and clean cloth.

#### GLASS CLEANING

For dusting and light cleaning of glass use a soft, dry cloth. For further cleaning gently wipe the surface with a soft cloth wrung in clean water and a non-abrasive commercial glass cleaner. Dry immediately afterwards with a soft, dry and clean cloth. Please note that bubbles, streaks and other variations in size and colour are part of the production process, and not defects of the design or production of handmade glass.
