

# building

by Ferréol Babin

BOX

This building boxes bring to mind the industrial areas so familiar within our urban landscapes. An industrial aesthetic accentuated by the deep black, or metal brown glazed finish to their ceramic structures. With a stretched out footprint, its lined exterior is topped with an equally generous cantilevered top. Space enough to keep all your possessions under one roof.

## PROCESS

Each piece is handmade from ceramic, and applied with a glossy glaze. Streaks and other variations in size and colour are part of production processes, and not defects in the design or production.

## CARE INSTRUCTIONS

Regular cleaning and maintenance is important in order to keep your pulpo product looking its best and to prolong its life. Always remove any kind of dirt as soon as possible. We recommend that you first test a small, invisible area to ensure that no colour change or damage arises to the product. Do not use materials for maintenance that contain abrasive agents or are basic, acid or organic.

## CERAMIC CLEANING

For dusting and light cleaning of ceramic use a soft, dry cloth. For further cleaning gently wipe the surface with a soft cloth wrung in clean warm water. Dry immediately afterwards with a soft, dry and clean cloth.
