

# flaming stars

by Natascha Madeiski  
COLLECTION OF LIGHTINGS

Natascha Madeiski's ceramic lights series "Flaming Stars" is a lively mashup of Memphis design with Memphis music - hence the product names of Elvis' greatest hits. The second meaning of Memphis is quoted by the decoration: Various colored objects or random findings represent the notorious Eighties' design movement from Milan, each one a unique founding of creative synergy (A special edition is held in glazed silver/platin tones).

**YEAR OF DESIGN**  
2022

**MATERIAL**  
ceramic

**DIMENSIONS (mm)**

- king creole  
340 L x 170 W x 580 H
- long tall sally  
235 L x 170 W x 620 H

 Lifetime: 20 000 h  
 Dimensions bulb (mm): Ø 125 x 178 H  
 Finish: milky white  
 Energy class: E

**CARE INSTRUCTIONS**

Regular cleaning and maintenance is important in order to keep your pulpo product looking its best and to prolong its life. Always remove any kind of dirt as soon as possible. We recommend that you first test a small, invisible area to ensure that no colour change or damage arises to the product. Do not use materials for maintenance that contain abrasive agents or are basic, acid or organic.

**CERAMIC CLEANING**

For dusting and light cleaning of ceramic use a soft, dry cloth. For further cleaning gently wipe the surface with a soft cloth wrung in clean warm water. Dry immediately afterwards with a soft, dry and clean cloth.
